FINES - *As the registered owner of the vehicle Volkswagen Financial Services will receive a variety of fines attributed to activities undertaken by the vehicle Driver (e.g. Parking fines). Volkswagen Financial Services will pay these invoices on your behalf and will then onward invoice. In doing so taking advantage of any prompt payment discounts available. An administration charge of €20.00 per event will be charged. The exception to this process will be where the fine relates to a driving offence where the authorities require notification of the drivers details for potential endorsement of their drivers license (e.g. Speeding fines). In such cases driver details will be provided to the authorities and they shall then contact the Driver directly.
